

APPENDIX R
(Abridged version)

If your transcript is unavailable because you have just completed your program, attach this form to your application for admission. This appendix confirms that you have taken the necessary steps to ensure that official documents will be sent to the Order as soon as the Registrar of the university is able to transmit them.

I have requested the Registrar of the university where I graduated to send directly to the Order my final official transcript, with the mention “Degree granted”, the date the degree was granted and the seal of the Registrar, thus confirming that I received my degree.

Date you completed your program: _____ / _____
month year

Date anticipated for the granting of your degree: _____ / _____
month year

Date you made the request to the Registrar _____ / _____
month year

Important

Any official document indicating that the granting of the degree is conditional will be refused.

A transcript with the complete number of credits, but with no official mention that the degree has been granted will not be accepted.

An attestation of completion of studies or award of degree **must** be accompanied by an original version of the final transcript which indicates all your education.
