Department Information

The Northwest Territories Health and Social Services Authority (NTHSSA) offers challenging and exciting careers in health and social services delivery and administration in Canada's North. The Territorial Authority has service locations in communities across the territory and a staff of more than 1,600 serving over 43,000 residents of the NWT and 5,900 residents of the Kitikmeot Region of Nunavut. Challenging work, welcoming communities, and expanded opportunities are some of the benefits offered to employees of the NTHSSA.

Job Information

Currently the following positions are available:

- **Child and Youth Care Counsellor (CYCC)- 3 positions available in Yellowknife (Indeterminate)**
- **Bilingual Child and Youth Care Counsellor (CYCC) – 1 position (indeterminate)**
- **Child and Youth Care Counsellor (CYCC)- 1 positions available in Fort Resolution (Indeterminate)**

Please specify in your cover letter or resume for the position you are applying for.

The position is located in Yellowknife and Fort Resolution. The Child and Youth Care Counsellor (CYCC) reports to the Regional Clinical Supervisor, Mental Health and Addiction Services (Yellowknife).

The CYCC provides a wide range of services with an emphasis on developing therapeutic relationships with children, youth and their families. During the school year, the CYCC will be based primarily in the school, but, in order to align with the needs of children and youth, other locations may include the Community Counselling Program office, client family home or other appropriate community locations.

The CYCC provides direct client care including individual and environmental assessment (with an emphasis on strengths and assets rather than pathology), intervention planning, individual, family and group counselling and referrals to other important service providers and agencies within the community. The CYCC collaborates with other community services including school principals, teachers, regional inclusive schooling coordinators, social workers, nurses, physicians, Community Health Representatives, RCMP, probation, Victim Services, and local Indigenous and Non-Government Organizations to provide a comprehensive, person and family centered approach to care.

For further detail, please view the full job description.

Typically, the above qualifications would be attained by:

A Master's degree in Child and Youth Care, Counselling, Clinical Social Work or Education with a focus on therapeutic counselling.

Advance level of written & oral French is a requirement for the bilingual position.
